

Poly/Cotton Sheets

Need your sheets fitted? No worries we can tailor make to your specifications. All we need you to do is provide the width, length and depth you require.

Measuring for a Fitted Sheet

- Measure the length of the mattress (L).
- Measure the width of the mattress (W).
- Measure the depth of the mattress (D).

Naturally delivery times apply.

Cotton bolls ready for harvest

Ask about our made to measure service

Available with customer labels or coloured selvedge's
Naturally extra costs will apply

- Benefits of white is no colour fading providing superior performance for commercial laundering
- Can be dressed up with coloured bed throws etc
- Can be bleached with an oxygenated bleach
- If your white sheets are looking dull then you probably like fabric softener. Softener tends to build up and leave sheets looking gray
- Crisp, pure and bright. White always looks fresh and clean
